大埔宏福苑火災救援：連結社區，共建復元力量
TAI PO FIRE RELIEF CONNECTING COMMUNITIES, BUILDING RESILIENCE TOGETHER

大埔宏福苑火災，近2,000戶家庭陷入生活困境。樂施會宣布取消原定於11月28至30日舉行的「樂施毅行者2025」，以便政府及救援人員集中資源投入救援工作。

樂施會同時迅速啟動「同毅同行」支援計劃，動員內部資源之餘，將「樂施毅行者2025」籌得的公眾捐款，不扣除任何行政費用，全數撥予災民，透過「應急救援、靈活過渡、長遠復元」三階段策略，協助災民渡過難關。

災後初期，樂施會向災民發放緊急現金支援，應對基本生活需要。隨著安置展開，樂施會向有兒童或長者的家庭提供家品現金券，讓他們按自身需要靈活購置家電及日用品。

在長遠復元方面，樂施會透過「綜合個案管理」模式，將支援由短期紓困延伸至生活復元，串聯地區組織，提供搬遷支援、家居維修及心理輔導等多元服務。

透過結合救援與發展、持續和可複製的社區復元支援模式，樂施會不僅回應即時人道需要，更為未來城市災害復元工作累積實踐經驗，強化社區韌性。

A fire at Wang Fuk Court in Tai Po displaced nearly 2,000 households. In response, Oxfam Hong Kong (OHK) announced the cancellation of Oxfam Trailwalker 2025, originally scheduled for 28-30 November, to enable government and emergency services to concentrate their resources on relief efforts.

Meanwhile, OHK launched the Solidarity Support Programme, mobilising internal resources and committing all public donations raised through Oxfam Trailwalker 2025 to support affected residents, with no administrative costs deducted. Through a three-phase approach encompassing emergency relief, flexible transition, and long-term recovery, the programme helped affected families overcome this challenging period.

In the aftermath of the fire, emergency cash assistance helped families meet urgent basic living needs. As rehousing progressed, shopping vouchers enabled households with children or elderly members to purchase essential electrical appliances and household items.

For long-term recovery, OHK introduced a case management approach, connecting families with community partners and matching them with tailored support services to address ongoing housing, home maintenance, and psychosocial challenges.

By integrating humanitarian relief and development, OHK established a sustainable and replicable community recovery model that strengthened community resilience.

樂施會支持的女性氣候行動獲國際肯定
OXFAM-SUPPORTED WOMEN'S CLIMATE ACTION GAINS INTERNATIONAL RECOGNITION

由樂施會支持、瑞麗婦女兒童發展中心，在中緬邊境少數民族村寨實施的社區發展項目，成功入選《氣候行動與性別平等協同中國案例報告》。

以社會性別視角為核心，此項目發揮婦女在自然資源管理與社區動員中的關鍵角色，透過培育女性骨幹、發展氣候適應型農業生計，結合少數民族傳統文化與基層社區治理，提升農村社區應對氣候變化與適應的能力，增強整體社區韌性。

報告由北京大學碳中和研究院、氣候未來全球創新實驗室及 C Force Lab 聯合刊出，配合第四次世界婦女大會在北京召開30周年，於2025年3月發布。

同年10月，中國政府與聯合國婦女署在北京舉辦全球婦女峰會，C Force Lab 在「世界農業創新女性論壇」發表研究成果。近半數與會者來自海外，超過百萬人次在線觀看。

此項目亦聯同樂施會支持的雁塔村案例，入選《和合共生：全球氣候治理的中國民間力量》，並於 COP30 期間在巴西專題發布。

A community development project implemented in ethnic minority villages along the China–Myanmar border by the Ruili Women and Children Development Centre, with support from Oxfam Hong Kong (OHK), has been successfully selected for inclusion in the Case Study Report: Synergy of Climate Action and Gender Equality in China.

With a gender perspective at its core, the project leverages women's pivotal roles in natural resource management and community mobilisation. By nurturing female leaders, developing climate-adaptive agricultural livelihoods, and integrating ethnic minority cultural traditions with grassroots community governance, the initiative strengthens rural communities' capacity to respond and adapt to climate change, enhancing overall community resilience.

The case study report was jointly published by the Institute of Carbon Neutrality at Peking University, Climate Future Global Innovation Lab, and C Force Lab, and was launched in March 2025 to mark the 30th anniversary of the Fourth World Conference on Women held in Beijing.

In October, during the Global Leaders' Meeting on Women hosted by the Chinese Government and UN Women in Beijing, C Force Lab presented its research findings at the parallel Forum on Women in Agrifood. The forum drew nearly half its attendees from overseas and recorded over one million online views.

Furthermore, this Ruili project, together with the Yanta Village case study — also supported by OHK — was featured in Harmony and Coexistence: China's Civil Society in Global Climate Governance. The publication was launched during COP30 in Brazil.

前言
FOREWORD

過去一年，全球局勢複雜多變。極端氣候與經濟不平等使脆弱社群面臨嚴峻考驗。然而，我們目睹了無數基層社群展現出無畏的堅韌與互助精神，這份力量成為推動改變的最強大動力。

適逢樂施會在香港成立50周年的重要里程，我們始終堅守消除貧窮的初心，同時與時俱進，透過「綜合項目策略」將人道救援、可持續發展與倡議工作深度整合，致力尋求長遠的系統性改變。

我們衷心感謝每位捐款者、合作夥伴和支持者的信任。我們極為珍惜這份來自民間的信任——逾九成的扶貧資金直接來自公眾捐款，這份凝聚力支持著我們在港澳及全球各地推行長期發展項目，迅速回應各類危機。

在國際層面，我們透過倡議及能力提升工作坊，提升女性對勞工權益、反歧視和領導力的認知，發揮政策影響力，捍衛性別尊嚴。在中國內地，我們支持內蒙古牧民合作社，建構制度，從根本上協助牧區抵禦雪災與旱災等氣候災害。

這份同行的力量亦在香港帶來具體改變：當大埔發生突發火災時，團隊第一時間介入，為受災家庭提供緊急物資與分階段的現金援助。在極端天氣日趨嚴重之際，我們發表《氣候適應下香港戶外清潔工的防暑研究》，成功促使香港天文台大幅增加官方暑熱監測站，並推動勞工處改良「工作暑熱警告」系統。

展望未來，我們將繼續與貧困和弱勢社群並肩前行，聆聽他們的需要，攜手應對貧窮與不平等所帶來的艱鉅挑戰。

Over the past year, the global landscape remained complex and volatile. Extreme climate events and worsening economic inequality severely tested the vulnerable communities. Yet, amidst these trials, we witnessed the incredible resilience and solidarity of grassroots populations — a collective strength that remains the driving force for change.

As Oxfam Hong Kong marks its milestone 50th anniversary, we hold fast to our founding mission to eradicate poverty. Evolving with the times, we leverage our holistic One Programme Approach to seamlessly integrate humanitarian relief, sustainable development, and advocacy, striving for long-term systemic change.

We extend our heartfelt gratitude to every donor, partner, and supporter. We deeply cherish this public trust — over 90% of our poverty alleviation funding came directly from general donations. This strong solidarity sustains our long-term development initiatives in Hong Kong, Macau, and globally, enabling swift responses to emergencies.

Internationally, our advocacy and capacity-building workshops enhanced women's awareness of labour rights, anti-discrimination, and leadership skills, wielding policy influence to uphold gender dignity. In Chinese Mainland, we supported herder cooperatives in Inner Mongolia to build institutional frameworks, helping pastoral areas resist climate hazards such as blizzards and droughts.

This collective commitment translated into tangible change locally. When a sudden fire broke out in Tai Po, our team acted immediately to provide emergency supplies and phased financial assistance to affected families. Addressing extreme weather, our comprehensive study *Heat Stress Protection for Outdoor Cleaners in Hong Kong under Climate Adaptation* prompted the Hong Kong Observatory to expand heat-monitoring sites and influenced the Labour Department to refine its Heat Stress at Work Warning system.

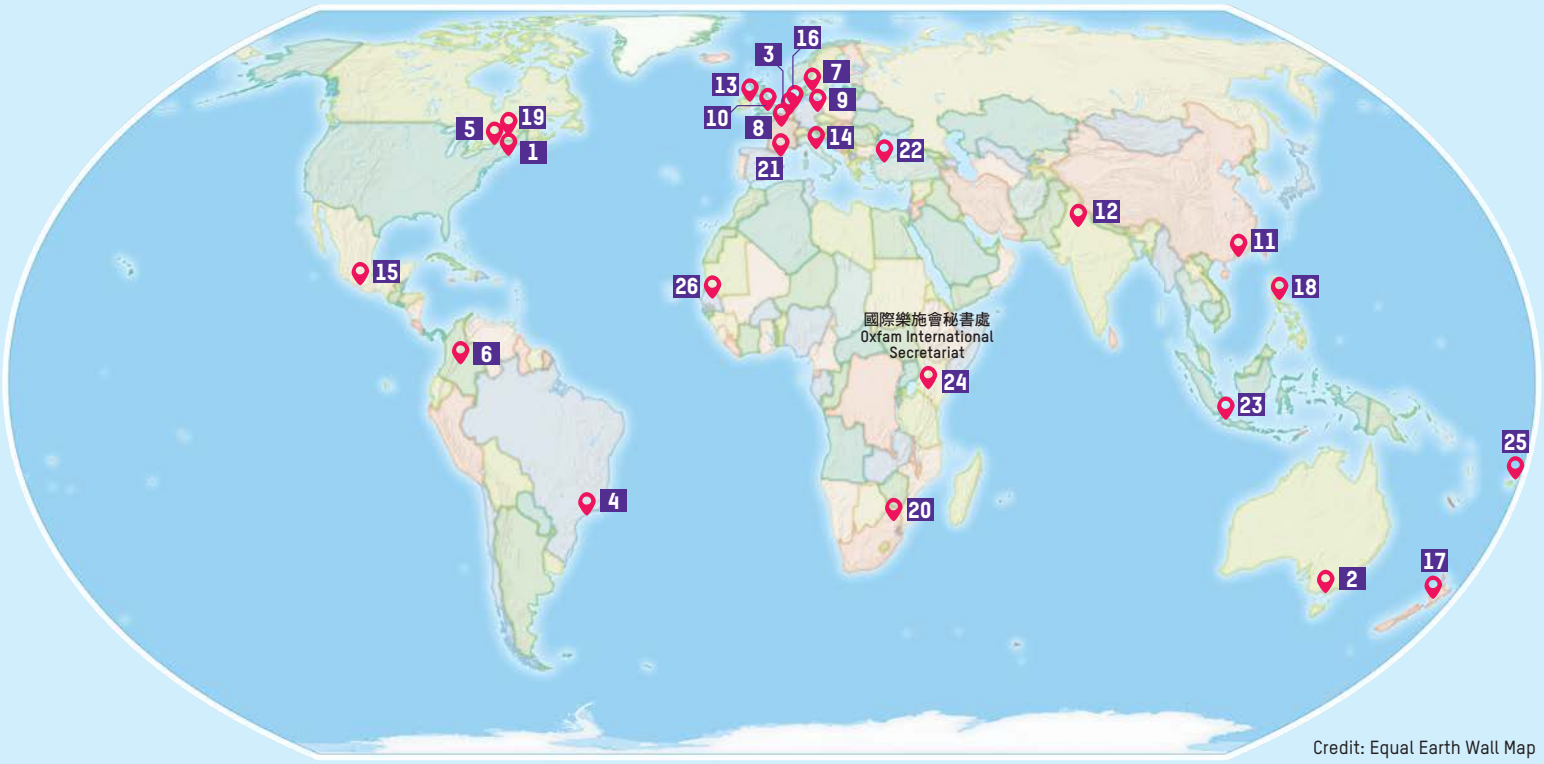

Looking ahead, we will continue walking alongside poor and vulnerable communities, working together to tackle poverty and inequality.

重塑農村社區的經濟未來
RESHAPING ECONOMIC FUTURES IN FARMING COMMUNITIES

在柬埔寨東北部蒙多基里省的戈涅縣，有一半人口是原住民，大部分村民依賴小規模稻米種植維持生計。儘管婦女佔柬埔寨農業勞動力的75%，她們在培訓、資源及參與決策方面仍面對很多障礙。

因此，樂施會與當地夥伴Development and Partnership in Action合作推動市場連結、農業培訓及婦女賦權；同時，Amru Rice提供基礎設施與合約保障，確保農產品價格穩定。項目亦將婦女賦權成果轉化為可量化的社會價值「W+ credits」，並透過向企業及投資者出售W+ credits，把部分收益直接回饋參與項目的婦女，為她們帶來額外收入及發展機會。

報告期內，共787名農民的稻米生產通過符合歐盟、美國及日本的有機認證，提升了議價能力並開拓高端市場；農民亦受惠於合作社運作模式，以及新建倉庫和碾米設備等。婦女參與農業發展的障礙逐步減少，參與決策與發揮影響力的機會顯著提升。

透過加強可持續生計及婦女自主能力，此項目提升了農村的社區韌性，並促進更共融的經濟發展。

In Koh Nhek district of Mondulkiri, Cambodia, half the population is indigenous and most households rely on small-scale rice farming. Although women make up 75% of the agricultural workforce, they continue to face barriers to training, resources, and decision-making.

To address these challenges, Oxfam Hong Kong and its partner Development and Partnership in Action promote market linkages, agricultural training, and women's empowerment; meanwhile, Amru Rice provides infrastructure and contract arrangements to stabilise crop prices. The project also introduced W+ Credits, which quantify women's empowerment outcomes as social value. By selling these credits to companies and investors, part of the revenue is directly returned to participating women, providing them with additional income and development opportunities.

During the reporting period, 787 farmers achieved EU/NOP/JAS organic certification, strengthening their bargaining power and access to higher-value markets. Cooperatives were reinforced, new warehouses and rice mills were established. Women gradually faced fewer barriers in farming, and their participation in leadership and decision-making grew significantly.

By strengthening sustainable livelihoods and women's autonomy, the project has enhanced rural community resilience and promoted more inclusive economic development.

牧草銀行與鮮草工廠
PASTURE BANKS AND FRESH GRASS FACTORIES

蒙古族世代以畜牧維生，草原不僅是他們的家園，也是維繫家庭收入、文化傳承與社區生活的重要基礎。近年極端氣候加劇，草原面積加速退化，生活在西烏珠穆沁旗的蒙古族人，時常面對因極端天氣造成的飼料供應緊缺、價格暴漲，使得牧戶養殖成本大幅上升，甚至牛羊病亡，損失賴以生存的生計資產。

樂施會推行「牧草銀行+鮮草工廠」項目，結合社區發展、能力培訓與政策倡議：既建立「集體牧草銀行」，透過儲備牧草，在災季以低價向牧民供應飼料，亦引進「無土鮮草種植技術」興建工廠，提供穩定飼料，減少在天然草場過度放牧，讓草原有更多時間休養復育。

項目開展氣候風險培訓，提升合作社治理能力、促進跨區交流學習，又搭建國際交流平台，將基層牧民的經驗與聲音帶到政策層面。

此項目成為牧區氣候適應藍本，透過論壇與政府調研廣泛推廣分享，推動地方政府完善草原應急儲草機制。

For generations, Mongolian people have relied on animal husbandry for their livelihoods, with the grasslands serving not only as their home, but also as the vital foundation for sustaining household income, cultural heritage, and community life. In recent years, intensifying extreme weather has accelerated grassland degradation. People living in West Uzhumuqin Qi frequently face severe fodder shortages and price surges caused by extreme weather. This has led to a drastic increase in rearing costs for herders and even the sickness and death of cattle and sheep, resulting in the loss of vital livelihood assets.

Oxfam Hong Kong supported the Pasture Bank and Fresh Grass Factory programme, combining community development, capacity training, and policy advocacy: besides establishing a Collective Pasture Bank to store fodder reserves and supply low-cost fodder to herders during disaster seasons, Soilless Fresh Grass Cultivation Technology was also introduced to build a factory, providing a stable fodder supply and reducing overgrazing on natural grasslands, allowing the grasslands more time to rest and regenerate.

The project conducted climate risk training to enhance cooperative governance capacity and facilitate cross-regional peer learning. It also established an international exchange platform to bring the experiences and voices of grassroots herders to the policy level.

This project has provided a blueprint for climate adaptation in pastoral zones, which has been widely promoted and shared through seminars and government research, and eventually encouraged local governments to improve grassland emergency fodder storage mechanisms.

以科技創新與實證研究 提升社區氣候適應力
INNOVATIVE COOLING SOLUTIONS AND RESEARCH ENHANCE CLIMATE RESILIENCE

2025年本港錄得53個「熱日」及54個「熱夜」，均是有記錄以來的第三多。酷熱天氣日益頻繁，對戶外工作者及弱勢社群構成嚴重的健康與安全威脅。

為回應這挑戰，樂施會透過研究、倡議及創新科技，全面推動氣候適應。針對戶外清潔工，我們延續先前試用防暑手錶的經驗，於2026年初發表《氣候適應下香港戶外清潔工的防暑研究》。

研究揭示全港性暑熱警告未能反映地區之間的熱壓力差異，成功促使香港天文台將官方暑熱監測站由2個大幅擴充至10個，推動勞工處改善暑熱預警機制，實現「地區為本」的職業安全與健康保障。

高溫亦嚴重加劇劏房家庭的生活困境。樂施會研究顯示，45.5%的劏房室內溫度高於室外，最高溫差達5.8°C。樂施會與初創企業合作，推行無電製冷技術，為超過2,000戶劏房家庭、逾6,000名居民，安裝無電製冷降溫窗貼，有效降低室內溫度3°C至5°C，既改善居住環境，亦紓緩電費負擔。

In 2025, Hong Kong logged 53 Very Hot Days and 54 Hot Nights — both ranking third highest on record. Worsening extreme heat poses disproportionate health and safety risks to outdoor workers and vulnerable groups.

Oxfam Hong Kong (OHK) addresses these climate challenges and promotes climate adaptation through research, evidence-based advocacy, and technological innovation. Building on wearable smartwatch tech trials, we published a comprehensive study *Heat Stress Protection for Outdoor Cleaners in Hong Kong under Climate Adaptation* in early 2026 .

The research revealed the limitations of official heat warnings. By highlighting localised heat risks, OHK's findings successfully prompted the Hong Kong Observatory to expand its official heat-monitoring sites from two to ten. This enabled the Labour Department to revamp its heat stress warning system and marked a critical step towards a "district-based" warning mechanism that enhances occupational safety and health.

At the household level, extreme heat severely impacts subdivided unit (SDU) residents. According to OHK's research, 45.5% of SDUs had indoor temperatures higher than outdoors, with a maximum of 5.8°C difference. OHK partnered with a startup to install electricity-free cooling films in over 2,000 SDU households, benefiting over 6,000 residents, reducing indoor temperatures by 3°C to 5°C. This initiative not only improved their living conditions but also reduced their expenses on electricity.

梨園裡的抗旱實驗
DROUGHT RESILIENCE EXPERIMENT IN PEAR ORCHARDS

雲南省安寧市雁塔村的果農，長期以種植紅梨為生，面對極端天氣和持續旱災，紅梨的產量與品質下降，果園管理成本亦不斷上升，村民生計大受打擊。

樂施會在村內開展梨園抗旱實驗，提供生態種植技術支援，申請綠色產品認證，在保護土壤與水源的同時，提升紅梨品質和市場競爭力。

此外，項目協助村民開拓多元產業及可持續生計，包括研發秋梨膏等加工產品、發展特色飲食及舉辦紅梨文化活動，擴闊收入來源。社區亦透過節約用水宣傳、抗旱義工服務隊和互助網絡，逐步完善抗旱應急機制，提升社區適應氣候變化的能力。

項目已成為社區應對氣候變化、促進可持續生計的經典案例，在國際會議上向全球分享中國內地基層社區的氣候行動，以及建設生計韌性的經驗。

Fruit farmers in Yanta Village, Anning City, Yunnan Province, have long relied on cultivating red pears for their livelihoods. Faced with extreme weather and prolonged droughts, the yield and quality of red pears declined, while orchard management costs continuously climbed, severely impacting the livelihoods of the villagers.

Oxfam Hong Kong initiated a drought resilience experiment in the village's pear orchards, providing technical support for ecological planting and applying for green product certification. While protecting soil and water resources, the initiative enhanced the quality and market competitiveness of red pears.

In addition, the project assisted villagers in exploring diversified industries and sustainable livelihoods, including developing processed goods such as autumn pear paste, creating specialty culinary offerings, and hosting red pear cultural activities to broaden income sources. Through water conservation campaigns, drought-resistance volunteer teams, and mutual aid networks, the community has progressively improved its emergency drought-response mechanisms, enhancing the community's capacity to adapt to climate change.

The programme became a classic case study for community responses to climate change and the promotion of sustainable livelihoods. The climate actions and experiences in building livelihood resilience of grassroots communities in the Chinese Mainland were shared globally at international conferences.

賦權平台工作者及倡議性別公義：完善零工經濟的勞工改革
EMPOWERING PLATFORM WORKERS AND ADVOCATING GENDER JUSTICE: ADVANCING LABOUR REFORMS FOR GIG ECONOMY

自疫情開始，墨西哥的數碼送遞平台及網約車行業迅速發展，但大部分平台工作者卻缺乏正式勞工保障；其中女性受到更嚴峻的不平等對待，不但收入普遍較低，還需承擔較重的家庭照顧責任，因而影響工作機會，甚至更易遇到性騷擾和性別暴力。

為推動更公平的工作環境，香港樂施會聯同墨西哥樂施會與多個工友組織合作，透過能力提升及倡議雙管齊下，為女性及非二元性別工作者提供有關勞工權益、反歧視及申訴機制等培訓，提升爭取權益的能力和信心；同時亦加強工友組織領袖的領導和協調能力，讓他們更有效為同業發聲。

樂施會與工友組織合作，共同制定促進性別平等的勞工保障建議，並就職場騷擾、性別暴力及勞工政策改革提出建議，推動更包容、公平和安全的工作環境。

有關勞工改革於2025年6月展開試驗，正式邁出保障平台工作者權益的重要一步，並透過推行社會保障制度及評估新框架成效，促進更安全、公平和包容的工作環境。

In Mexico, platform-based delivery and driving work have grown rapidly since the pandemic, yet most workers remain without adequate labour protections. Women and non-binary workers face additional challenges, including lower earnings, reduced working hours due to disproportionate care responsibilities, harassment, and gender-based violence.

To address these challenges, Oxfam Hong Kong, partnered with Oxfam Mexico, supported a project combining capacity strengthening and advocacy. Working with worker collectives, it provided training on labour rights, non-discrimination, and complaint mechanisms. Women and non-binary workers gained knowledge and confidence to advocate for their rights, while collective leaders strengthened their organising and representation skills, enabling them to advocate more effectively for their fellow workers.

Oxfam collaborated with worker collectives and co-created guidelines that were presented to the government on minimum labour standards with a gender perspective to address harassment, gender-based violence and gaps in labour reforms, promoting more inclusive labour policies, as well as a fairer and safer working environment.

Implemented in June 2025 as a pilot, the labour reform marks a key step towards protection of platform workers' rights. Through operationalising social security coverage and assessing the new framework to create safer, fairer and more inclusive working conditions for platform workers.

少數民族女性的賦權之路
THE EMPOWERMENT PATHWAY FOR ETHNIC MINORITY WOMEN

黔東南州少數民族位處石漠化嚴重地區，面對極端乾旱、暴風、凝凍及病蟲害等挑戰，傳統農業的生計備受威脅；加上村中男性多外出打工，留守婦女同時肩負農務與照顧長幼的重擔，根深蒂固的性別觀念，令她們難以參與家庭和社區決策，亦難以獲得發展資源與培訓機會。

樂施會以「氣候適應」與「女性賦權」為核心，採取綜合項目手法，引入適應氣候的農作物品種及病蟲害綜合防治，提升氣候韌性。同時又提供急救、消防及水域救援訓練，加強社區防災與應對極端天氣的能力。

項目又支持婦女參與社區經濟文化活動及公共事務，讓她們在家庭、社區及經濟生活中發揮重要角色。同時透過民宿改造、手工坊建設、自然教育及發展鄉村旅遊，促進文化傳承與村莊經濟的可持續發展。

Ethnic minorities in Qiandongnan Prefecture reside in areas with severe rocky desertification. Facing challenges such as extreme droughts, windstorms, freezing rain, and pest infestations, their traditional agricultural livelihoods are increasingly threatened. Furthermore, with most men from the villages working in towns and cities, the women left behind bear the dual burden of farming and caregiving for the youth and elders. Deeply rooted gender norms make it difficult for them to participate in household and community decision-making, or to access development resources and training opportunities.

With climate adaptation and women's empowerment at its core, Oxfam Hong Kong adopted One Programme Approach, introducing climate-resilient crop varieties and integrated pest management to enhance climate resilience. At the same time, the project provided first aid, firefighting, and water rescue training to strengthen community disaster preparedness and capacity to cope with extreme weather.

The project also supported women's participation in economic, cultural, and public affairs in the community, empowering them to play key roles across household, community, and economic spheres. Additionally, through homestay renovations, handicraft workshop development, nature education and rural tourism, the project promoted cultural preservation and sustainable development of the village economy.

亞齊及蘇門答臘水災與山泥傾瀉 緊急救援行動
EMERGENCY RELIEF FOR FLOODS AND LANDSLIDES IN ACEH AND SUMATRA

2025年11月下旬，強烈季候風雨在亞齊、北蘇門答臘及西蘇門答臘引發災難性的洪水及山泥傾瀉，影響了54個地區、超過110萬人。根據印度尼西亞國家災害管理局（BNPB）的數據，有1,207人死亡、137人失蹤，以及7,000多人受傷。超過184,000間房屋及公共設施，遭到摧毀或嚴重受損。

道路、橋樑和公用設施的損毀，阻礙了救援工作。洪水和山泥傾瀉摧毀了房屋，使村莊與外界隔絕，基本公共服務亦受到干擾。

許多家庭滯留在擁擠的臨時安置點中，難以獲得安全的飲用水、衛生設施、糧食和生活必需品。惡劣的居住環境增加了經由水傳播的疾病風險；持續降雨亦令受災地區面臨進一步洪水及山泥傾瀉的威脅。

香港樂施會與印度尼西亞樂施會迅速回應，聯同合作夥伴支援了一項為期12星期的緊急救援行動。災民獲發衛生用品包、生活必需品及即食糧食，以解決燃眉之急。

In late November 2025, heavy monsoon rains triggered catastrophic floods and landslides across Aceh, North Sumatra, and West Sumatra, affecting over 1.1 million people in 54 districts. According to the National Disaster Management Agency (BNPB), 1,207 people lost their lives, 137 were missing, and over 7,000 were injured. More than 184,000 houses and public facilities were destroyed or severely affected.

Road damage hindered relief efforts, while floods and landslides destroyed homes, disrupted services, isolated villages, and livelihoods.

Many families remained in overcrowded temporary shelters with limited access to safe water, sanitation, food, and shelter materials. Poor living conditions have increased the risk of water-borne diseases, while continued rainfall threatened further flooding and landslides.

In response, Oxfam Hong Kong, worked with Penabulu Foundation and its partners, supported a 12-week emergency relief response. Communities received hygiene kits, shelter kits, and ready-to-eat food to meet immediate needs.

大埔火災「同毅同行」支援計劃：緊急救援與長遠復元

TAI PO FIRE "SOLIDARITY SUPPORT PROGRAMME": EMERGENCY RELIEF AND LONG-TERM RECOVERY

2025年11月26日，大埔宏福苑發生五級大火，近2,000戶家庭瞬間痛失家園。

樂施會迅速啟動大埔火災「同毅同行」支援計劃，以「救災、安頓、復元」三階段策略陪伴災民重建生活。

第一階段（應急救援）：災後初期，受災家庭急需應對住宿、交通及基本生活開支。樂施會發放緊急現金援助，讓居民應對最迫切的生活需要。

第二階段（靈活過渡）：隨著政府逐步落實安置安排，考慮到長者及兒童在搬遷及適應新環境期間面對較大挑戰，樂施會透過「一戶一社工」網絡為這些家庭提供家品現金券。

第三階段（長遠復元）：透過需求評估及服務缺口分析，發現部分家庭仍面對住屋、健康及身心復元等挑戰，因此樂施會推動以個案管理為核心的支援模式，聯繫地區夥伴及專業服務，協助居民逐步復元生活。

以需求為本的綜合個案管理：協調不同機構的服務，協助受災家庭在不同階段獲得適切支援，避免服務重疊。

▲ 受惠居民送贈樂施會的紀念品
Thank you plaque from affected residents to Oxfam.

On 26 November 2025, a severe five-alarm fire struck Wang Fuk Court in Tai Po, displacing nearly 2,000 households.

In response, Oxfam Hong Kong (OHK) launched the Tai Po Fire "Solidarity Support Programme", adopting a three-phase approach of Relief, Transition and Recovery.

PHASE 1 (EMERGENCY RELIEF): During the emergency stage when families urgently needed support for accommodation, transportation and daily expenses, OHK provided emergency cash assistance, enabling households to address their most pressing needs.

PHASE 2 (FLEXIBLE TRANSITION): As the households gradually relocated, households with elderly members or children often faced greater challenges adapting to new environments. Through the One Household, One Social Worker network, OHK provided shopping vouchers to help them purchase essential household items.

PHASE 3 (LONG-TERM RECOVERY): Since need assessments and gap analysis revealed ongoing housing, health and psychosocial challenges, OHK therefore introduced a case management approach, connecting families with community partners and matching them with tailored support for long-term recovery.

NEEDS-BASED CASE MANAGEMENT MODEL: Align assistance across partners, reducing service duplication and ensuring targeted, long-term support for relocating families.

首度於香港及澳門兩地同步舉辦的「良食企劃」無窮新煮意設計比賽，鼓勵年青一代發揮同理心、創意和廚藝，以基層人士如長者、清潔工友及拾荒者為對象，設計合乎需要、又有營養均衡的午膳套餐。比賽吸引了兩地合共157所學校提交1,400份作品。

決賽分別於2026年5月3日及16日於澳門及香港圓滿舉行，19組入圍的中小學隊伍即場烹調他們精心設計的午餐，並由評審即場品嚐並選出味道、賣相及營養兼備的優勝作品，將「良食」理念轉化為具體行動，關懷基層。

Organised for the first time across both Hong Kong and Macau, the Eat Fair Campaign: Infinite Food Design Challenge encouraged the younger generation of students to draw on their empathy, creativity, and culinary skills to design balanced, nutritious lunch menus tailored to the needs of grass-roots individuals, including the elderly, street cleaners, and scavengers. The competition attracted an impressive 1,400 submissions from 157 schools across both regions.

The finals were successfully held in Macau and Hong Kong on 3 May and 16 May 2026 respectively. Nineteen shortlisted primary and secondary school teams cooked their carefully crafted lunches live on site. The judges tasted each dish to select the winning creations based on flavour, presentation, and nutritional value, turning the concept of "Eat Fair" into concrete action to care for the underprivileged.

樂施會青年毅行者培訓計劃
OXFAM YOUNG TRAILWALKER TRAINING PROGRAMME

為將樂施毅行者的堅毅、團結與賦權精神傳承予新一代，並響應教育局《4Rs精神健康約章》，樂施會在陳廷驊基金會全力支持下，於2024年12月推出「樂施會青年毅行者培訓計劃」。此計劃2024/25及2025/26學年，共招募220名12至21歲青年參與。在專業教練帶領下，青年於麥理浩徑等山徑學習行山與越野跑技巧，透過團體活動培養默契與抗壓能力，更以小隊形式參與挑戰日，展示培訓成果。2025/26學年更與香港管理專業協會羅桂祥中學合作成立專屬學校小隊，以包班形式提供彈性訓練，引導青年走進大自然，建立強健體魄與正向心態。

To pass on the Oxfam Trailwalker spirit of perseverance, team unity, and empowerment to the younger generation while supporting student well-being under the Education Bureau's 4Rs Mental Health Charter, Oxfam Hong Kong launched the Oxfam Young Trailwalker Training Programme in December 2024. Generously supported by The D. H. Chen Foundation, the initiative recruited 220 young people aged 12 to 21 across the 2024/25 and 2025/26 academic years. Under the guidance of professional coaches, participants learned hiking and trail running skills on Hong Kong's scenic trails, including the MacLehose Trail. Through team-based activities, they developed teamwork, mutual support and resilience, and showcased their learning and achievements by taking part in Challenge Days as small teams. In the 2025/26 academic year, the programme expanded by partnering with HKMA Lo Kau Chai Secondary School to establish dedicated school squads with customised schedules, empowering young people to embrace physical challenges, nurture mental health, and experience the transformative joy of nature.

全新教育活動　實踐世界公民素質
EMPOWERING THE NEXT GENERATION
A NEW EDUCATIONAL JOURNEY IN GLOBAL CITIZENSHIP

樂施會每年於港澳兩地舉辦逾500場教育活動，透過創新、互動和體驗式的手法培養新一代和公眾於知識、價值觀及能力上，具備世界公民素質。

去年樂施會推出了3個全新的教育活動，包括互動劇場「窄屋之光2.0」和「可以不離開嗎？」氣候難民教育劇場，透過充滿趣味的戲劇活動，讓學生投入主角的視角，身同感受地了解劏房家庭和面對氣候危機的弱勢群體的處境。

樂施會更帶領參加者走出社區，從解謎遊戲，實地思考友善社區的重要性，啟發創意思維，去年新開設路線「深水埗『謎』蹤」，讓大家認識少數族裔的生活足跡。

Oxfam Hong Kong (OHK) organises over 500 educational activities every year across Hong Kong and Macau. Through innovative, interactive, and experiential approaches, we aim to nurture global citizenship in the younger generation and the general public, equipping them with the knowledge, values, and capabilities to make a difference.

Last year, OHK launched three brand-new educational activities, including the interactive theatre production, A Light in the Darkness 2.0, and Can We Stay? — a climate refugee educational theatre. Through engaging theatrical activities, students could step into the protagonists' shoes and gain first-hand empathy for the plight of families living in subdivided units and vulnerable communities facing the climate crisis.

Furthermore, OHK took participants beyond the classroom and into the community. Through immersive puzzle-solving games, participants explored the importance of an inclusive community and unlocked their creative thinking. A new route, Unlock the Lives of Ethnic Minorities in Sham Shui Po was introduced last year, allowing participants to trace and understand the daily lives of ethnic minority communities.

童聲領袖計劃　社區論壇劇場培訓及演出
KID OPINION LEADER PROJECT
COMMUNITY FORUM THEATRE TRAINING & PERFORMANCE

樂施會積極倡導大眾尊重兒童的權利與聲音。2025年暑假，在兒童事務委員會資助下，樂施會與7位來自不同文化背景的「童聲領袖」，於香港兆基創意書院文化藝術中心小劇場完成兩場社區論壇劇場演出，有超過120位大小朋友前來觀賞。

經過數月的培訓，這群小學生一邊進行戲劇培訓和排練，一邊分享他們對家庭和校園生活、社區環境及個人願望等心聲，並結合成為劇本，呈現予觀眾。在論壇劇場，觀眾不單觀賞兒童故事，更能夠走到台上，運用自己的想法及經驗改變主角的命運。項目透過深度的培訓與創新的劇場互動，成功建構一個關於兒童友善社區的平台。

Oxfam Hong Kong (OHK) actively advocates for public respect for children's rights and voices. In the summer of 2025, supported by funding from the Commission on Children, OHK successfully joined hands with seven Kid Opinion Leaders from diverse cultural backgrounds. In front of an audience of over 120 children and adults, they presented two community forum theatre performances at the HKICC Lee Shau Kee School of Creativity Multi-media Theatre.

Following months of training, these primary school students engaged in drama workshops and rehearsals while shared their heartfelt thoughts on family and school life, community environments, and personal aspirations. Their shared experiences were woven into a script and performed for the audiences. At the forum theatre, audience members did not merely watch the children's stories unfolding, they stepped onto the stage, drawing on their own ideas and experiences to reshape the protagonists' destinies. Through theatre and community-based exploration, the project successfully created a platform for fostering a more child-friendly community, bringing children's voices into the public sphere and encouraging meaningful dialogue between children and the wider community.

30-year long service staff

我一畢業便加入樂施會做教育工作，這經歷讓我深刻認識到貧窮並非單純個人問題，而是受到制度、機會分配和社會資源不均等因素影響。

當看到市民大眾參加我們的活動後，對弱勢群體多了關懷與理解，留意多了貧窮的結構性成因，我都會感受到深刻的使命感：教育不只是傳授知識，更是要培養同理心和公民意識，讓每個人都可成為改變的力量。

I joined Oxfam Hong Kong as an education officer immediately after graduation. My experience has given me a deeper understanding that poverty is not simply related to an individual, but is often shaped by unfair systems, unequal access to opportunities, and the uneven distribution of social resources.

Whenever I see the public become more caring and understanding of disadvantaged communities after participating in our programmes and pay more attention to the structural causes of poverty, I feel a profound sense of purpose. Education is not only about imparting knowledge, but also about nurturing empathy and a sense of citizenship, helping every individual to become an active agent of change.

樂施毅行者的老師
Teacher who consistently leads students to participate in Oxfam Trailwalker

自2013年起，我便率領匡智獅子會晨崗學校的學生一起參與樂施毅行者，至今已達11次。此活動非常適合我的學生，沿途充滿互相鼓勵的正能量，亦有陪行及支援安排；我們多次組織老師、家長和同學的支援隊伍，凝聚整個校園。

每當學生成功挑戰100公里，信心便會明顯提升，自豪地說：「我是樂施毅行者，曾完成100公里!」

很多人以為自閉症或智障人士需要他人幫助，但透過樂施毅行者，他們不僅能挑戰自我，更能身體力行籌款，實踐「助人自助」的精神。

I have been taking part in Oxfam Trailwalker (OTW) with my students from Hong Chi Lion MorningHill School since 2013, and this year marks our 11th participation. It was an ideal event for my students. The trail was filled with encouragement and positive energy, while the support and accompanying arrangements made the challenge more accessible. We have brought together teachers, parents and students to form support teams, uniting our entire school.

After completing the 100km challenge, many students become noticeably more confident. They often proudly said: "I am an Oxfam Trailwalker. I have completed 100km!"

Many people see individuals with autism or intellectual disabilities as those who need help from others. Through OTW, however, they did not only challenge themselves but also raised funds, embodying the spirit of helping others while helping themselves.

不經不覺我已經支持了樂施會20年。我認為貧窮不單是金錢上的缺乏，更是連最基本的生活需要都未必能夠得到保障。有人食不飽、穿不暖，有人因資源不足而失去接受教育的機會，甚至在患病時也未必能夠獲得適切的醫療服務。

一直以來，我認同樂施會致力消除貧窮、推動公平的理念。我會繼續支持樂施會，將關愛轉化為長遠的信念，持續為世界帶來公平與希望。

I had been supporting the organisation for 20 years. Poverty is not just about a lack of money, it's about not having basic needs met. Some people do not have enough food to eat or warm clothes to wear. Others miss out on educational opportunities because of limited resources, and some may not even have access to appropriate healthcare when they are sick.

Over the years, I have strongly identified with Oxfam's mission to fight poverty and promote equality. I will persist in supporting Oxfam, and turn this compassion into an enduring belief that continues to bring fairness and hope to the world.

工作手法
HOW WE WORK

貧窮成因複雜，樂施會以可持續及整全的「綜合項目手法」，透過政策倡議、社區扶貧及人道救援，多管齊下，長遠推動弱勢社群發揮所長，改善生計。我們重視夥伴同行，致力與貧窮人、基層組織、捐款者和所有支持者合力共建無窮世界。

監察、評估和學習

為確保工作恆之有效，我們定期監察和評估項目，吸收經驗，精益求精。我們除了著重項目人員和夥伴組織的專業知識，當中不同持份者，特別是社區中的弱勢群體的參與，更是整個評估和學習過程的核心。社區民眾了解自己的需求，提出想法和建議，讓我們可以合力尋找可持續和創新的解決方案。

At Oxfam, we understand that poverty is a complex issue that needs to be tackled using a sustainable and holistic approach, or what we call our One Programme Approach. This approach goes beyond simply patching problems. Instead, our programmes link development, humanitarian and influencing work in pursuit of common objectives to fight poverty. We also take a rights-based approach to our work. This means we believe everyone has the right to live free of poverty. We can't do any of this on our own though. We rely on strong partnerships and collective action in order to effect change. Partnering with people who experience poverty, partner organisations, donors and all of our supporters is indispensable to our work. In fact, building a strong network of collaborators is integral to realising a world without poverty.

MONITORING, EVALUATING AND LEARNING

To ensure our work is effective, we regularly monitor, evaluate and learn from our projects and programmes. At the core of this process is the participation of various stakeholders, especially the vulnerable groups with whom we work. Aside from relying on the expertise of our programme staff and local partners, communities themselves identify their needs and give feedback, and we work together to find sustainable and innovative solutions.

我們向同行者負責
OUR COMMITMENT TO ACCOUNTABILITY

管治

董事會負責樂施會的法律責任、策略、行政管治及風險管理，並設立多個委員會支援及監察其工作和項目開支。

合規和監察

樂施會為香港註冊的擔保有限公司，並根據《稅務條例》第88條獲豁免繳稅。我們嚴格遵守香港會計師公會及國際樂施會的財務標準，年度財務報告均依《香港審計準則》及《香港財務報告準則》審核。

財務、風險及審計委員會由董事會司庫擔任主席，定期檢視財務、審計、風險及內部監控事宜，並監督內部審計工作，確保我們和我們的合作夥伴合規。

準則和規範

我們承諾以最高道德標準，保障員工、夥伴以及服務的社群，絕不容忍任何權力濫用及性不當行為。所有員工、合作夥伴、管治成員和義工須遵循《樂施會行為守則》。我們設立了一系列的保護政策及不當行為披露政策，所有員工和公眾均可透過各個途徑作出舉報。在2025/26年度，我們並沒有接獲與香港樂施會有關的性不當行為舉報。

我們亦依國際標準及最佳準則推行人道援助與救災，並監察策略與項目。

透明度和溝通

我們每年在網站公開年度工作報告及經審核的財務報表，以提高透明度。我們亦積極透過《樂施快訊》和其他刊物、電郵通訊、社交媒體平台和各項公眾活動，與持份者及公眾定期溝通。

GOVERNANCE

The Council is responsible for Oxfam Hong Kong (OHK)'s legal obligations, strategic direction, administrative governance, and risk management. It has established committees to support and oversee its work and programme expenditure.

COMPLIANCE & CONTROLS

As a company limited by guarantee registered in Hong Kong, OHK complies with the relevant requirements. OHK is a tax-exempt charity under Section 88 of the Inland Revenue Ordinance. We comply with financial standards set by the Hong Kong Institute of Certified Public Accountants and Oxfam International, with annual financial statements audited in accordance with the Hong Kong Standards on Auditing and the Hong Kong Financial Reporting Standards.

The Finance, Risk and Audit Committee, chaired by the Treasurer, meets regularly to review financial, risk, audit, and internal control matters, and supervises the internal audit function, to ensure we and those we work with remain compliant.

CODES & STANDARDS

OHK upholds the highest ethical standards to protect our employees, partners, and the communities we serve. We have zero tolerance for sexual harassment, exploitation, and abuse in our organisation. Our staff, partners, governance members, and volunteers are all bound by Oxfam's Joint Code of Conduct. We have a comprehensive set of safeguarding and whistleblowing policies, through which staff and members of the public can report misconduct. In 2025/26, no safeguarding cases related to OHK were reported.

OHK also follows international standards and best practices in humanitarian response and disaster relief, while monitoring strategies and programmes.

TRANSPARENCY & COMMUNICATION

Every year, to ensure transparency in our work and use of funds, we publish our Annual Report and post it on our website together with the Audited Financial Statements. We also communicate actively and regularly with our donors and supporters through our newsletter – the Oxfam Express – and other publications, direct mailings, social media platforms, and public engagement events.

我們忠於樂施會的願景和使命，恪守誠信、良好管治及最佳實踐，並向持分者及合作夥伴問責。

We remain committed to Oxfam's vision and mission. We uphold integrity, good governance and best practices, and hold ourselves accountable to our stakeholders and partners.
